**FACTION ATHLETICS CARNIVAL**

Our 2017 School Faction Athletics Carnival will be held on **Friday 8<sup>th</sup> September**.

If you are able to rearrange your commitments to be free on the day, we invite you to come along to cheer on your child and their faction during this fun and exciting day of athletic competition.

Jump and Throw events will take place on **Tuesday 5<sup>th</sup> September**.

New gate installed at the entrance to the staff car park.

**FROM THE PRINCIPAL'S DESK**

Dear Parents, Carers and Community Members.

Once again it has been a great start to term, with a happy vibe around the school as students and staff settle back into class routines.

With the cold mornings, students need to have their school **winter uniform items clearly named**. A reminder that all uniforms can be purchased from Willetton Uniforms Totally School Wear, located at U2, Rear 185 High Rd Willetton. As outlined in our School Dress Code, students are requested to wear clothing in school colours, black and teal. If girls wear leggings, they should be black and preferably worn under skirts or dresses.

This will be a busy term, with a focus on athletics. All years are commencing training for races and team events in class Physical Education lessons and weekly faction training sessions. Students need to bring water bottles and brimmed hats every day and wear suitable shoes for running and outdoor play. **On Fridays, commencing this week, students in Years 1 to 6 are requested to wear faction polo shirts**. Every Friday, faction points will be awarded for students wearing their faction polo shirts which will add to the athletics carnival tally.

**Kids Cubbies Project – Help Needed**  
**Parent Busy Bee Saturday 5<sup>th</sup> August 1-2pm**

During the holidays, businesses BCR Australia and Storage King Perth Airport donated wooden pallets for cubby construction. Thanks to Neil, (Macca) BCR Australia and Bruce, the pallets were delivered to the school and loaded into the cubby bush area. Currently they are heavy, many with sharp nails/metal protruding and are not in a state that students will be able to use safely. Therefore, at this stage, cubbies are banned until we can make the pallets safe, raw building materials.

On Saturday 5<sup>th</sup> August, we are holding a short Parent Busy Bee. Any help you can give will be appreciated by our enterprising, student cubby builders who are keen to continue expanding BCPS Cubby World.

Please bring tools such as claw hammers, jemmy bars, drills with large drill bits, planes/sandpaper, ropes and anything else you have that may be useful to break down pallets.

**Staff Car Park**

There have been ongoing issues with staff and official visitors to the school, unable to find parking, due to parents using the staff car park. During the holidays, a boom gate was installed at the entrance of the staff car park. This will be used at peak student drop off and collection times.

Parents of students in Year 1 to 6 are encouraged to use the 'set-down/ pick-up' zone on Purley Crescent at the back entrance to the school, to park in the Woodford Park car bays, or to consider collecting children 5 minutes later to avoid congestion. The car park at the front of the school is designated for parents of Kindy and Pre-Primary children who need to escort their children to classrooms.

Everyone is reminded that safety of our children is paramount. Keep our children safe by following car park signage. Be patient and considerate towards other car park users. Do not park in places that block the exit and movement of other vehicles.

Kind Regards  
 Lyn Macauley, PRINCIPAL

## LAPATHON

We have raised **\$9777.00 – an amazing effort! Thank you to everyone who supported our school!** It doesn't matter how much you raised, \$1 or \$1000, you are all winners and have helped us purchase laptop headphones for Years 4 to 6, robotic devices for the school and to complete Stage 2 of our Junior Nature Play Area. A fantastic bonus for our school!

At the next assembly, Wednesday 26<sup>th</sup> July, students who ran the most laps will be recognised and incentive prizes will be presented to the highest fundraisers.

## BIRTH ANNOUNCEMENTS - CONGRATULATIONS

Mrs Prince's baby boy, Oscar Patrick was born on 12<sup>th</sup> July.

Mrs Campbell also had a baby boy, Alexander Anthony, born on 13<sup>th</sup> July.

## MATHS TABLOID

Our end of term reward for Term 2 was a Maths Tabloid event. It was held on Thursday 29th June and was a thoroughly enjoyable time for all the students.

We created 20 mixed groups of students from Years 1 – 6, who then collaboratively worked together to support one another in undertaking a series of Maths challenges! Activities included; constructing 3D objects, matchstick shapes, Bugs and Dice and a beanbag relay.

Each group was awarded points at the end of the activity, based on collaboration, behaviour and maths achievement, and the winning team was awarded a prize.

It was fantastic to see our older students supporting our younger students as well as the fun that was had while so much learning was taking place!

Mr Miller, Deputy Principal

## MOORT BOODJA

In Term 2 the Bannister Creek Primary School's 'Aboriginal 6 Seasons Garden' was officially named *Moort Boodja* (Family Garden). This name was voted on by Aboriginal parents, school staff and the School Board members.

On Wednesday 28<sup>th</sup> June, BCPS students participated in the planting of some seedlings, including some bush tucker species, in the *Moort Boodja*. Catherine Williams, Community Liaison Officer from SERCUL, assisted BCPS in developing a planting plan with Mrs Alice Lily and Mr Rick Jaworski, and provided a vast array of seedlings.

Ms Williams also attended on the planting day and guided students and staff on how to plant the seedlings. The Aboriginal students and some of their parents, the Eco-Warriors and staff started planting seedlings after the NAIDOC assembly. Planting continued after recess by other classes, with more planting to continue during the term. Signage of the six seasons is also a focus for the *Moort Boodja*.

Many thanks to Catherine, the students, parents and staff for their continued efforts to create our school garden.

Mrs Hill, Deputy Principal

## STAFF PROFESSIONAL LEARNING

The Monday School Development Day, allowed all teaching staff and Education Assistants the opportunity to spend a special day at Murdoch University. We were joined by our colleagues from Brookman and Parkwood Primary Schools, as well as a small group of teachers from Leeming Primary School.

The theme of the day was Technologies and staff present were fortunate to receive a Keynote Address from Dr Jenni Parker, an academic at Murdoch University, who spoke on “*The Development and Application of the Technologies Curriculum*”. This was followed by teachers having the opportunity to choose from 8 different concurrent sessions that provided information on how to utilise technologies in the classroom and implement STEM teaching practices. Topics covered included; Makerspace – Design Thinking, Lego Robotics, Forensics – the application of STEM and Engineering in the Primary Years.

All staff present gained a great deal out of the day and we have already seen some fun and very exciting projects being undertaken in our classrooms.

## COUNCILLOR'S CORNER

Thank you to everyone who participated in our Wacky Hair Day charity fundraiser. We raised an amazing \$374.00 for the Australian Childhood Foundation. I can definitely say that I saw some truly wacky hair!!

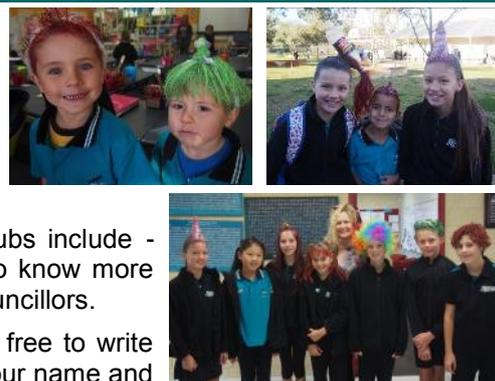

Congratulations to all the students who took part in the Winter Carnival, it was an outstanding effort by all, with great sportsmanship being shown throughout the competition.

We are hoping to have the lunchtime clubs up and running next week. Clubs include - Craft, Soccer, Skipping, Dance and BCPS's Got Talent. If you would like to know more about any of these clubs or to join, just speak with any one of your Student Councillors.

**Reminder:** The Joke and Suggestion boxes are in the Library, please feel free to write down a fantastic idea or funny joke to share. Remember to write your name and room number clearly on the front. The Student Councillors love going through all your creative and sometimes funny suggestions.

Remember to always work your very best and to do everything with “100% GUSTO!!”..... Mr Stanley  
Report by Joshua, Room 18

## INSTRUMENTAL MUSIC UPDATE

This term, Bannister Creek is continuing with its efforts to grow the School's concert band program. This is an excellent opportunity for students in Years 3-6 to receive music tuition from local professional musicians on their instrument of their choice.

While learning a concert band instrument can give students a life long love for music, it can also help develop many other social emotional skills such as resilience, perseverance and self-confidence.

If you would like to learn more about learning a concert band instrument through the schools program, there will be an information session helped on Wednesday 26<sup>th</sup> July from 3.00 - 3.30pm in the Music Room.

For parents, carers and students who have expressed interest in keyboard and guitar, a note will be sent home later this week advising of developments in this area.

## FACTION ATHLETICS CARNIVAL - PARENT HELPERS NEEDED

Our Faction Athletics Carnival will be held on Friday, 8<sup>th</sup> September. Parent helpers typically assist with setting up/ packing away, manning the long jump pits, timing, handing out ribbons etc.

If you are able to help, please complete the slip below and return it to the front office as soon as possible. Mrs Rowlands will send you further information as the carnival draws closer.

## WELCOME

We extend a warm welcome to Amy Richardson and Rebecca Mountford, Occupational Therapy (OT) students from Curtin University.

They, and their coordinator Jess Green, are providing support services to students, staff and parents.

The OT students will work with individual students and small groups, as well as the whole class.

This initiative is coordinated by Kate Keisler from Calm and Connected. Another great partnership for Bannister Creek PS.

## GARDEN CLUB

Garden Club will commence on Tuesday 25<sup>th</sup> July. Garden Club runs from 3:00 to 4:00pm, students should meet Ms Doran at Room T3. If your child would like to join Garden Club, please leave their name at the Front Office.

## UPCOMING EVENT - SWIMMING LESSONS

**Please mark these dates on your calendar:** The 2017 In-term Swimming Lessons will take place from Monday 11<sup>th</sup> September to Friday 22<sup>nd</sup> September. This will be a 9 day program. There will be no lesson on Monday 18<sup>th</sup> September, due to the Massed Choir Event. ## THE FATHERING PROJECT

### Stimulating kids' curiosity:

- Take your kids to the museum.
- Take them to the local library.
- Get out and about for an adventure - at the park, pond, creek, beach etc.
- Help them become interested in nature, world events and interesting people.
- Help them think 'out of the box' to make school projects more creative and interesting.
- Don't over organise their lives.
- Encourage imagination.
- Restrict the television - it limits the development of imagination.

[www.thefatheringproject.org](http://www.thefatheringproject.org)

## COMMUNITY PROJECT

Bannister Creek Primary School, in conjunction with the Good Samaritans, will be holding a one day Donation Drive on Tuesday 15<sup>th</sup> August.

If you have any items, in good condition, that your family no longer needs and would like to donate, please bring them to the Undercover Area on Tuesday 15<sup>th</sup> August.

Good quality items such as: Clothing, Blankets, Books, Toys, Kitchenware, Games, DVDs etc. are all appreciated. This would be an excellent opportunity to have a clear out.

Please remember this is a **ONE DAY ONLY** Donation Drive. Items may only be brought to school on **TUESDAY 15<sup>th</sup> August**. All items will be collected by the Good Samaritans the following day.

## ACT-BELONG-COMMIT

### TIP: Limit screen time.

This can be a challenge, but limiting screen time has many health benefits. You can replace the time you used to spend in front of a screen with something more mentally stimulating. Try reading, doing a crossword, playing sport, trying a new recipe or walking the dog. You will have extra time to spend with your family too.

## SCHOOL AWARDS

On Wednesday 28<sup>th</sup> June, Room 11 hosted the school NAIDOC assembly. The focus of NAIDOC Week 2017 was 'Our Languages Matter'. The aim of this theme was to raise the status and importance of Aboriginal languages across the country. This theme was central to the assembly and the focus of many whole school activities in the final weeks of Term Two.

The assembly began with the singing of the National Anthem, with the second verse sung in Noongar, followed by the community song 'Wanjoo', which means 'welcome' in Noongar language. Room 11 then performed 'Heads, Shoulders, Knees and Toes' in Noongar. They taught the audience the words in Noongar so that the whole school could perform together. Representatives from across the school also presented at the assembly, outlining the NAIDOC activities they have been involved in.

Congratulations to Miss Riedel and the Room 11 students for a wonderful assembly. The next assembly will be held on **Wednesday 26<sup>th</sup> July**, commencing at 8:45am sharp. It will be hosted by the students in Room 5.

**HONOUR CERTIFICATES:** Excellence, no matter what you are doing, excellence means you are giving it the best you have. Excellence is what leads to success. It takes courage to practise excellence. When you practise excellence, you can break new ground and try new things that have never been thought of before. Doing your best helps you find out who you really are. **Congratulations to the following Honour Certificate recipients from our last assembly.**

**END OF TERM FACTION TOKEN DRAW:** On the last day of term the students congregated in the assembly area for the 'End of Term' Super Draw. Pokemon cards, board games, large plush animals and basketballs were some of the special prizes. The Faction Captains and some Student Councillors introduced the prizes using 'persuasive vocabulary' to encourage the students to choose a particular prize. Great fun and enjoyment were had by all- well done to all the winners.

Congratulations to the lucky winners: Brianna, Room 6; Maddy, Room 7; Tye, Room 8; Arnav, Room 9; Aida, Room 11; Omid, Room 11; Cooper, T1; Tristan, T1; Isabella, T4; Matthew, T4; Yi Xuan, Room 17; Kristian, Room 17.

## SCHOOL BOARD LEADERSHIP AWARD

The School Board Leadership Award is a new incentive to recognise students who display leadership skills e.g. using their initiative to assist other students or take on a leadership role. Congratulations to:

**Tristan, Room T1**

"For always striving for your best. You set academic goals and seek opportunities to challenge and extend yourself. You are to be commended for your outstanding effort in the holiday Brainways Education Academic Extension program. In class, you quietly mentor and support others. Way to go, Tristan!"

## KINDERGARTEN / PRE-PRIMARY ENROLMENTS 2018

Children born between 1<sup>st</sup> July 2013 and 30<sup>th</sup> June 2014 are now eligible to enrol for Kindergarten 2018.

Children born between 1<sup>st</sup> July 2012 and 30<sup>th</sup> June 2013, are now eligible to enrol for Pre-Primary 2018.

Applications are available from the Front Office and must be returned by the close of business 28<sup>th</sup> July 2017. Bannister Creek Primary School is a 'Local Intake Area' school, which means that applications from families who live within the intake area will be given priority.

**We are also accepting enrolments for students in Years 1 to 6 in 2018 now!**

**For further information, please contact the School Office on 9350 9588.**

## P&C NEWS

Welcome back to school, I hope you all had an enjoyable & relaxing school holiday.

**SCHOOL DISCO** - At the end of Term 2, the P&C held a school disco and introduced the dragonfly cafe. The disco was a huge success and enjoyed by all. The Dragonfly Cafe was the P&C's pop up cafe which offered parents a place to relax and wait for their children. The Dragonfly Cafe will make its next appearance at the sports carnival this term.

We would like to thank Chestmore Sounds and Top Cut Butchers who kindly donated their time and produce for the disco. As a school community, we raised close to \$3000! I would like to thank you all for your time, help and support.

**SILVER CHANGE CHALLENGE** - We are asking all students to collect as many silver coins as possible and place them into the container in their classroom. Each classroom will be trying to collect as many coins as they can. The class who raises the highest amount will win a fabulous prize!

The challenge will begin on Monday 24<sup>th</sup> July & finish on Friday 4<sup>th</sup> August. The winning classroom will be announced at the assembly on Wednesday 9<sup>th</sup> August, so start collecting and good luck!

**CANTEEN** - The Buzz Bar Canteen has received a revamp with a fabulous new look logo, menu & signage. I would like to thank Lucy Boyce & Adam Connolly who made this happen.

Alicia Brown, P&C Association President

**CANTEEN NEWS:** Welcome back. I hope you all had a nice break. This term, we have a new look menu with some slight changes including some necessary price increases. We are also introducing our 'Monday Specials', exciting and delicious menu items available for 2 Mondays in a row (these items will change every two weeks and cost \$4). 'Stuffed Spuds' will be available for Weeks 2 & 3. You should have received a new menu along with the list of 'Monday Specials' at the end of last term. If not, please see your teacher or get a copy from the Front Office.

LOL's are no longer available, there will be a new alternative called Glee, which like LOL's are 99% fruit juice that is carbonated and comes in a can. The flavours are: Tropical, Blackcurrant and Raspberry.

As well as the new look menu, we have a new look canteen with a fantastic looking sign and menu boards, not to mention the groovy aprons and hats to match. Thank you to everyone who made this possible.

Thank you for all your support

Georgina Burrowes, Canteen Manager

## FROM THE SCHOOL NURSE

### Colds

Upper respiratory tract infections or colds are everywhere, especially in winter, so it is almost impossible to stop children from catching them. Here are some tips which may help:

- Teach your child to cover his/her nose and mouth when coughing or sneezing, and to wash hands straight afterwards. Coughing/sneezing into the elbow (cough catcher) is even better.
- Hands should be washed after blowing noses and before eating.
- Use tissues once and then throw them in the bin (Avoid using handkerchiefs).
- Keep your child home from school if he/she has a cold/cough/fever/pain.
- Make sure that your children eat a balanced diet of plenty of healthy foods.
- Keep children away from smoke - it irritates their eyes and nasal passages, making it more likely they will catch a cold.

### What to do if your child catches a cold

- No treatment will cure a cold or make it go away more quickly, but you can help your child feel more comfortable:
- Rest: This need not be in bed.
- Provide extra drinks: If your child doesn't want to drink much, try giving lots of small sips of water, milk or juice, or ice blocks to suck for older children.

### Influenza

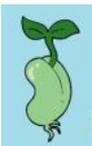

- Influenza, or the 'flu' is caused by an influenza virus. It is spread through the air when someone coughs, sneezes or talks. It is also spread by touching something that has the virus on it and then touching your nose, eyes or mouth. Common symptoms include sore throat, cough, fever, headache, chills, tiredness and muscle aches.
- People with the flu should rest and drink plenty of fluid. Use paracetamol in recommended doses if necessary - but do not give children any medication containing aspirin.
- Be sure to keep your child home from school while he or she is sick. If you require school work for your child contact the school to prepare some for you to collect.
- The best way to prevent flu from spreading is by washing your hands regularly and after coughing, sneezing or blowing your nose.
- Flu vaccines are available prior to winter starting. For more information, contact your GP or local Immunisation Clinic.

### Why should I consider having my child vaccinated against the flu?

- The National Health and Medical Research Council, Australia's peak body for health advice, recommends annual vaccination for anyone six months of age or older who wants to reduce their chances of becoming ill with the flu.
- An annual flu vaccination is recommended for anyone six months of age, or older, with a medical condition that places them at higher risk of severe illness from flu. Children and adults with heart, lung or kidney disease or a weakened immune system, are eligible for free flu vaccine through the National Immunisation Program.
- Children without underlying medical conditions who become infected with flu can also develop serious illnesses. Flu can cause high fever and pneumonia, and make existing medical conditions worse. Flu can also cause convulsions and diarrhoea in children.
- Influenza viruses are always changing. Each year scientists try to match the strains of influenza viruses in the vaccine to those most likely to cause flu illnesses that year. It takes up to two weeks for protection to develop after vaccination and protection lasts about a year.
- The seasonal flu vaccine is available on prescription or via your GP and Immunisation Clinics. It is provided free for certain groups. Flu vaccines are available prior to winter starting.

**For more information visit [healthywa.wa.gov.au/immunisation](http://healthywa.wa.gov.au/immunisation) or contact your GP or Immunisation Clinic**
