#	IF YOU ANSWERED NO, WHAT WOULD YOU PREFER?	DATE
1	I could only attend 1 of our child's room as only 1 parent was available to attend due to work commitments.	3/7/2018 5:34 PM
2	It is not fair to parents that have more the one kid at school to attend. Class room schedule may change from year and teaching styles may differ aswell. Spilting up the time would be better to allow parents to attend each class meetings. If you need any more information then Parent should make an appointment to see the teacher.	2/26/2018 5:52 PM
3	Given that most parents would have children at multiple year levels, perhaps a rolling series of meetings over 6 days would prevent people missing any of their meetings.	2/21/2018 9:57 PM
4	Found the teacher's just read off a piece of paper that could of just been sent home.	2/21/2018 4:06 PM
