

Dear parents/carers

I am writing to you during the school holidays to let you know about the arrangements for our school for Term 2 and what it will mean for you and your children.

These are unprecedented times and therefore, we will need to do some things differently in schools over the coming weeks, to maintain learning and to keep your children and our staff safe. Many of the plans that were put in place and communicated to you at the end of Term 1 have now changed.

I understand this may be an uncertain and difficult period for you and your family. That is why the State Government has given parents a choice about whether their children return to school for face-to-face teaching or learn from home. It is a personal decision influenced by each family's circumstances.

To assist with your decision making, please note the following:

- Monday 27 April is a public holiday;
- Tuesday 28 April will be a pupil free day. There will be no students at school as staff will be using this day for preparation;
- From Wednesday 29 April, school is open for all students whose parents/carers choose to send them;
- Students who attend school will be taught a face-to-face program and timetable;
- For those children learning from home, this will be through online or hard copy packages provided to you from school. Details of how to undertake and return the work packages will be provided to parents later this week.
- For those students who are learning from home, contact by school will be made each week by phone and/or online.
- Parents are asked to drop their child/children at the school gate, please do not enter the school grounds.

If it is your intention that your child/children will be returning to school on Wednesday 29th April, please inform the school by email bannistercreek.ps@education.wa.edu.au

This will greatly assist staff with planning and organisation.

The State Government is providing \$43 million in additional funding to expand school cleaning, in line with the health advice. Cleaners will work throughout the day to ensure all high-use areas, such as benchtops, desks, doorknobs, taps and hand rails, are regularly cleaned and surfaces disinfected. Our playgrounds will be open and play equipment will be cleaned before school and after each break.

The school is in the process of working out how many of these new plans and processes will look at Bannister Creek. You will receive detailed information on these new plans and processes later this week.

These arrangements will be in place and reviewed ahead of Week 4 commencing 18 May. As always, State Government decisions will be based on the best health advice.

We want all families and children to feel supported and informed during this time. I thank you for your partnership as we navigate this together.

Kind regards

Travis Miller

Principal
