

Dear parent/carers

Just a few reminders before school resumes tomorrow.

Families who are choosing the home learning option should have received the online learning packages, via Seesaw, by 12pm today; **or** collected hard copies from the table outside the school office.

If parents have NOT contacted us with requests for home learning packages, then we are assuming that children are returning to school for face to face learning on Wednesday 29 April.

If you want a home learning package and have not received one please contact the school on bannistercreek.ps@education.wa.edu.au or ring the school office on 93660900.

Students who attend school will be taught in their own classroom by their class teacher, following the normal class timetable. School hours will be as normal- **8:40am to 2:45pm**;

Children returning must:

- have a drink bottle filled with water;
- bring recess and lunch food.

The greatest risk of transmission in the school environment is between adults. It is of utmost importance that teachers, school staff and parents alike maintain physical distancing between themselves and each other at school.

Parents and visitors must drop students at specified gates and not enter the school grounds. Limited school gates will be open from 8:30am. Children will be met at the gate by school staff and guided to classrooms where class teachers will be waiting to greet students.

Parents are requested to email or ring the school office with questions or concerns. Please do not attend the front office unless you have made an appointment.

Communication

If you have any questions regarding the Schools response to COVID 19 or would like to raise any issues with any item in this update, please contact me personally.

Phone: 93660900

Email: Lynnette.Macauley@education.wa.edu.au

Kind regards

Lyn Macauley

Principal
